From... The United States Conference of Mayors.

The United States Conference of Mayors is the official non-partisan organization of cities with populations of 30,000 or more. There are over 1,400 such cities in the country today. Each city is represented in the Conference by its chief elected official, the mayor.

Their website is chock full of useful reports with articles on urban issues such as “Electric Vehicles, LED Lighting, Low-Energy Buildings And Solar Anchor City Energy/Climate Efforts”
