

From the Planners' Bookshelf...

The Excellence Dividend: Meeting the Tech Tide with Work That Wows and Jobs That Last. Kindle Edition

by [Tom Peters](#) (Author)

Vintage Books, A Division of Penguin Random House LLC, NY, 2018.

Summary from CT.org.

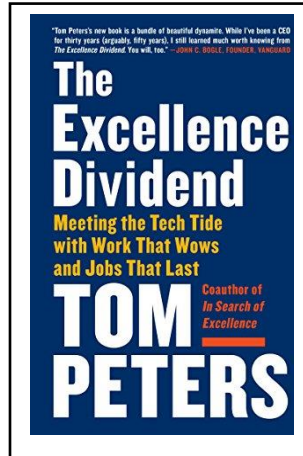

The inimitable Tom Peters has produced another thought provoking and insightful book focused on taking care of people. For the few who have not done so, check out *In Search of Excellence: Lessons from America's Best-Run Companies* by Thomas J. Peters and Robert H. Waterman Jr. | Feb 7, 2006.

From Amazon – “For decades Tom Peters has been preaching the gospel of putting people first, and in today's rapidly changing business environment, this message is more important than ever. With his unparalleled expertise and inimitable charisma, Peters offers brilliantly simple, actionable guidelines for success that any business leader can immediately implement. He provides a roadmap for your organization and for you as an individual to thrive amidst the tech tsunami, and he has a lot of fun doing it. *The Excellence Dividend* is an important new book from one of today's greatest business thinkers.”

YouTube:

“Tom Peters: Design is everything.” While not a discussion of his latest book, this video gives one an excellent view into the thoughts of Tom Peters as he discusses the idea that design is everything.

Lectures.

Venue: The University of Auckland Business School, 12 Grafton Road, Auckland, 1010

The Excellence Dividend – meeting the tech tide with work that wows and jobs that last

“Join us for a unique opportunity to hear Tom. He has preached the gospel of ‘people first’ for over thirty five years and in today's rapidly changing business environment, this message is even more important than ever.”

“In a world where people often do not feel engaged with their work Tom offers a brilliantly simple roadmap for any business leader and organisation to follow. With his unparalleled expertise and inimitable charisma, we invite you to come, have some fun, and hear how you and your organisation can thrive amid the tech tide and uncertainty.”
